Dear Ryan,

I am writing to express interest the Front End Developer position at Centretek.

During my 19 years experience as a Web Designer and Front End Developer at Fastspot, R2integrated, DuClaw Brewing Company, North Charles Street Design Organization and the University of Maryland Baltimore County, I have honed my skills in web development using Wordpress, CSS/SASS, HTML, and JQuery. I have collaborated with art directors to deliver fully-functioning web sites within strict deadlines.

I am excited by the opportunity to bring my skills to one of the top web development agencies in Baltimore. Centretek offers a team-oriented environment, with plenty of room for growth and leadership potential, which also appeals to me.

Please visit [www.aaronweidele.com](http://www.aaronweidele.com) to see examples of my work. If I may answer any additional questions for you, please do not hesitate to contact me at 443.207.1468 or at [aweidele@gmail.com](mailto:aweidele@gmail.com). Thank you for your time and consideration, and I look forward to speaking with you soon.

Sincerely,

Aaron Weidele
