Dear Dan Brenner,

I am writing to express interest in a web developer role at Weber Shandwick.

During my 16 years experience as a Web Designer and Front End Developer at R2integrated, DuClaw Brewing Company, the North Charles Street Design Organization and the University of Maryland Baltimore County, I have honed my skills in web development using CSS/SASS, HTML, and JQuery. I have collaborated with art directors to deliver fully-functioning web sites within strict deadlines.

I am excited for the opportunity to bring my skills to one of the top public relations agencies in the world. Weber Shandwick offers a team-oriented environment, with plenty of room for growth and leadership potential, which also appeals to me.

Please visit www.aaronweidele.com to see examples of my work. If I may answer any additional questions for you, please do not hesitate to contact me at 443.207.1468 or at aweidele@gmail.com. Thank you for your time and consideration, and I look forward to speaking with you soon.

Sincerely,

Aaron Weidele
